

Civil Rights

It is the policy of the U.S. Department of Agriculture (USDA) and the Natural Resources Conservation Service (NRCS) to treat every customer and employee with dignity and respect.

No person shall be discriminated against on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status in employment or in any program or activity conducted or funded by the Department (not all prohibited bases apply to all programs).

USDA employees or applicants for employment who believe they have been discriminated against in an employment decision may file an Equal Employment Opportunity (EEO) complaint by first contacting the agency EEO Counselor within 45 days of the alleged discriminatory incident or at reasonably learning of the possible discriminatory nature of the incident. You may contact an agency EEO Counselor by phone, in writing, or in person at 301-504-2181 or the Civil Rights Employment Division, Beltsville, MD 20705 - Mailstop #5472.
